SUCCESS GOD'S WAY

Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything in it. Then you will be prosperous and successful. (Joshua 1:8)

Everyone desires to be “prosperous and successful.” How good to know that God desires prosperity and success for His children. But we must be careful that we define prosperity and success as God defines those terms.

For Joshua and the Israelites, prosperity and success entailed possessing the Land of Promise. Many military battles lay ahead before they would occupy the land which the Lord promised to them. But victory was assured if they would “be careful to do everything written in the Book of the Law” of God. For the Israelites, the Book of the Law was the revelation of God’s will and ways for His people given by the Lord to Moses; that is, the Old Testament books of Genesis, Exodus, Leviticus, Numbers and Deuteronomy. For us, the Book of the Law is the entire canon of 66 books of the Holy Bible.

Success, as God defines it, is found in obeying the commands and precepts of Holy Scripture. The Word of God reveals the will of God. To embrace the will of God is to experience authentic success and spiritual prosperity.

The key to knowing and doing God’s will is found in meditation on the Word of God. We are to immerse ourselves in God’s Word so that our instinctive reflex is to obey God at all times. However, only as we commit God’s Word to memory will we be able to “meditate on it day and night.” Therefore, let us continue to hide God’s Word in our memory bank.
